All you need to start playing Game Boy is the hardware set which contains everything from the world's number one portable system to a free Game Pak, and even the four batteries!

Using the interchangeable cartridges couldn't be easier - just slot them into the back of Game Boy and power on! To get you started, the system comes complete with Tetris, the Russian blockbuster that has the whole world hooked - there's even been a pop song written about it! The idea is simply to create lines using 'Tetrads' (four-block shapes), yet with so many skill levels, and a wealth of entertainment value, this game is one of the most compulsive that you're ever likely to find.

Also included in the package are earphones, allowing you to appreciate the stereo sound in a more personal atmosphere, and the two-player game link. This wonderful device allows you to link up with another Game Boy, and challenge a friend to a variety of games, including Tetris, Tennis, Golf, Dr. Mario and many more!

## ACCESSORIES

### Battery Pack

Enjoy endless hours of fun with the Battery Pack. On the move? Just recharge your batteries, and off you go. If you are playing at home, then simply plug into the mains!

### Hip Pouch

Look good and keep your Game Boy and valuables safe with Nintendo's great fashion accessory. It's perfect for carrying the world's number one portable video game system - and your games too!

### Four Player Adaptor

Now, up to four players can play simultaneously on our growing library of specially designed four player games. Four player competition means new levels of action and thrills. Team up with your friends and find out who really is the best!

N

N This title is also available on NES

Team up with Mario for an intergalactic game of bricks and balls! Knock out the blocks of the Alleyway, and progress through its many stages. It's simple, but a whole lot of fun!

Mary Jane's been kidnapped, and it's left to Spiderman to battle his six greatest foes to get her back! Heavily guarded stages have to be fought through before Spidey can use his awesome powers on the likes of the Hobgoblin and Dr. Octopus!

As the new lad in the warehouse, it's your job to see that the boxes are stacked in their proper places - and that's not easy! Progress from one room to another, storing and stacking boxes, but if you get it wrong you'll have your boss to deal with! Fantastic strategy fun!

What's up Doc? Guide Bugs around the Looney Tunes Crazy Castle, feeding him with carrots to get him onto the next stage. Cameo appearances from Sylvester and Wile E Coyote are just some surprises to look out for!

Take to the skies with Balloon Kid, another original Game Pak for Game Boy. Fly over land and sea, avoiding the many balloon-bursting enemies and head for the exit.

Join Rockford for more death-defying antics in this portable cousin of the NES Game. Guide our hero around a whole variety of mazes, avoiding enemies and collecting diamonds, but watch out for falling rocks! Furiously fast and fiendishly fun - not to be missed!

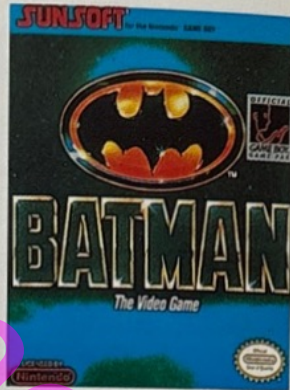

Yet another great NES conversion is the smashin' Burai Fighter. Deal with the multi-scrolling regular game, taking out the Burai with your high-powered weapons, and then take on a friend in a head-to-head!

Simon Belmont, hero of so many NES classics, has now brought adventuring of a ghostly nature to Game Boy. Battle the fiendish ghouls of Transylvania, using your magic whip and powerful items over lots of hair-raising levels before facing Count Dracula himself in a duel to the end... Not for those with a nervous disposition!

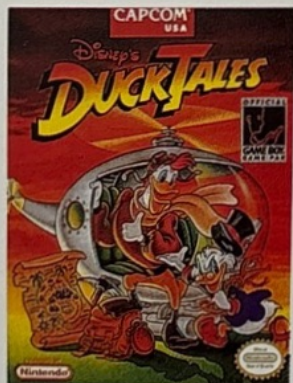

Here's a brand new adventure with everybody's favourite hero! Across alien lands and through beautiful oriental castles, Mario must dodge terrifying monsters and perilous traps to save Princess Daisy. Four great worlds await our heroic plumber, who even gets to use an aeroplane and submarine. A classic!

Battle the Joker and his horde of evil minions in this portable version of the hit video game. Search Gotham's streets and cathedrals, and then use the Batwing in your never ending fight against crime. Many original twists and turns add even more excitement to this excellent title!

N

Uncle Scrooge makes a welcome return, this time bringing his canny clan of adventurers to the portable power of Game Boy. Search the five wonderful locations, ranging from African mines to the moon, for the lost treasures, aiming to make Scrooge the richest duck in the world! Great fun for all the family!

N
